Dear Sir / Madam,

On the occasion of its 75th anniversary, La Survivance / LS Mutual announced a significant change to its corporate image. In fact, La Survivance / LS Mutual becomes « Humania Assurance Inc. ».

The name change was inspired by our desire to give the Company a name that is current, bilingual and better reflects the values that drive our Company and the health insurance products that define us.

However, the mutual management company which is the sole shareholder of Humania Assurance Inc. will continue under the name « La Survivance, mutuelle de gestion / LS Mutual Management ». The Mutual structure of our group remains unchanged and all current and future policy owners of Humania Assurance become members of our Mutual with all the privileges that membership provides.

Thank you for your attention to this notice and for considering this important change in your future communications with us.

Richard Gagnon
President and Chief Executive Officer
